CHI 3304. Chinese-English Translation.

This course engages students in translation as a method of improving their reading ability in Chinese as well as developing the cultural competence needed to render the nuances of Chinese texts into English. The course emphasizes key concepts of translation theory and methodology. Texts include media articles, literature, and professional or technical texts. Prerequisite: CHI 3302 or CHI 3303 either with a grade of "D" or better.

3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.

Grade Mode: Standard Letter

CHI 3305. Modern Chinese Literature and Film.

This course offers a survey of Chinese and Taiwanese literature and film in the Chinese language since the beginning of the 20th century. Readings include poems, short stories, and essays in styles as varied as revolutionary, romantic, modernist, nativist, popular, and experimental. Major themes of discussion include tradition and modernity, masculinity and femininity, elite and popular, individual and national identities, class consciousness, and tensions between Chinese and Western culture. This course is taught in Chinese. Written texts are level-appropriate excerpts or abridged editions of original works. Films are shown in Chinese with English subtitles. The course includes a service-learning component. Prerequisite: CHI 3302 or CHI 3303 either with a grade of "D" or better.

3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
