SCHOOL PSYCHOLOGY (SPSY)

SPSY 5178. Independent Study.
This course includes individual problems or research topics designed to place emphasis on selected areas of study. It may be repeated for additional credit at the discretion of the department chair.
1 Credit Hour. 1 Lecture Contact Hour. 0 Lab Contact Hours.
Grade Mode: Credit/No Credit

SPSY 5300. Interviewing, Counseling, and Consulting in School Psychology.
This course includes acquisition of skills for conducting interviews, counseling, consulting, and collaborating with children, adolescents, and adults. The emphasis is upon the development of basic communication skills that can be applied by the school psychologist in a variety of multicultural contexts, with an emphasis on family-school collaboration. (MULT).
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Course Attribute(s): Multicultural Content
Grade Mode: Standard Letter

SPSY 5355. Assessment of Culturally and Linguistically Diverse Students.
This course will focus on the psychoeducational assessment of students from culturally and linguistically diverse backgrounds for purposes of special education eligibility and for instructional decision making. A major emphasis is placed on learning nonbiased assessment methods and procedures to assess language proficiency, intelligence, academic skills and personality-behavioral functioning. (MULT) Restricted to students in the School Psychology SSP Program. Prerequisite: SPSY 5394 with a grade of ‘B’ or better.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Course Attribute(s): Multicultural Content
Grade Mode: Standard Letter

SPSY 5356. Psycholinguistics of Second Language Acquisition.
This course will focus on the linguistic and psycholinguistic underpinnings of the bilingual brain. It will provide a comprehensive introduction to the foundations of bilingualism, covering language processing, and language acquisition. Topics will include simultaneous and sequential bilingualism, language selection and switching, cognitive consequences of bilingualism, and the bilingual brain. Prerequisite: SPSY 5355 and SPSY 5394 both with grades of ‘B’ or better.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

SPSY 5376. Psychoeducational Assessment.
This course focuses on the administration, scoring, and interpretation of individually administered standardized tests of intelligence, special abilities, and achievement. The theoretical and statistical bases of the tests used, integrative report writing, and learning disabilities are also covered. Prerequisite: Instructor approval.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

SPSY 5377. Social, Emotional, and Behavioral Assessment.
This course covers the evaluation of personality, mental status, and behavior. This includes the theoretical bases, construction, administration, scoring, and interpretation of structured and projective personality tests with integrative report writing emphasizing the assessment of emotional disturbance and behavior disorders. Prerequisites: PSY 5376 or its equivalent, with a grade of ‘C’ or better, graduate standing, and consent of the instructor.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

SPSY 5378. Problems - School Psychology.
This course includes individual problems not related to thesis or research problems. It is designed to place emphasis on selected areas of study. It may be repeated for credit.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

This course includes the advanced investigation of personality dynamics and diagnosis of psychopathology through advanced projective techniques and structured instruments. Students practice comprehensive report writing emphasizing intervention recommendations. Prerequisites: PSY 5376 and PSY 5377, or the equivalents, all with a grade of ‘C’ or better; graduate standing, and consent of the instructor.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

This course focuses on the acquisition and practice of techniques used in counseling interventions with children and adolescents in school settings. Individual and group counseling techniques are emphasized, along with a review and refinement of techniques for interviewing and consulting with parents. Prerequisite: COUN 5307 and COUN 5368 and SPSY 5300 all with grades of ‘C’ or better.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

This course introduces the theory and techniques of program evaluation with an emphasis on K-12 educational settings. It includes program evaluation conceptualization, planning, implementation, methodological and ethical issues, and analyzing and reporting results. Emphasis is placed on experimental and quasi-experimental methods commonly used in the evaluation of educational programs.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

This course includes the presentation of historical foundations, role and functions, and procedures used by psychologists in the school setting. Emphasis includes ethical and legal issues, professional standards, state and federal law, and organization and operation of the schools as applied to the mental health and education of exceptional learners.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter
This course presents models of consultation as they apply to
the professional development and ethical position of the school
psychologist. The course emphasizes the consultative role in relation
to school administrators, guidance and counseling personnel, teachers,
parents, students, and referral sources. Prerequisite: SPSY 5300 and
SPSY 5385 both with grades of 'C' or better. Corequisite: SPSY 5389 with
a grade of 'C' or better.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

SPSY 5387. Data-Based Decision-Making in Evaluation and Intervention.
This course covers advanced techniques for assessment of special
populations, including early childhood, and integration of information
from a variety of sources for the development of educational
interventions. A problem solving approach that focuses on linking
evaluation and intervention processes will be utilized throughout the
course. Prerequisite: SPSY 5376 with a grade of 'C' or better.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

This course includes theoretical and empirical aspects of psychological
measurement, scale development and testing for school psychologists.
Topics include the statistical foundations of psychological measurement;
stimulus and response-based measurement; social, legal, and ethical
implications of testing; test and item bias; score reliability and validity;
factor analysis; generalizability theory; and item response theory.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

SPSY 5389. Basic Psychopharmacology.
This course introduces knowledge of psychopharmacology with children
and adolescents, including brain-behavior relationships, psychopathology,
and research methods, with application to childhood disorders for
which medication is often prescribed. Emphasis is placed on informed
consultation with parents, teachers, and medical professionals regarding
children prescribed psychotropic medications. Prerequisite: SPSY 5300
and SPSY 5376 and SPSY 5377 and SPSY 5382 and SPSY 5385 all with
grades of 'B' or better.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Standard Letter

SPSY 5390. Practicum in School Psychology.
Three practicum experiences occur in a school or agency setting with
supervision by on-site and university supervisor. This course must be
repeated for a total of nine credit hours. Prerequisite: SPSY 5376 and
SPSY 5385 both with grades of 'C' or better and instructor approval.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Course Attribute(s): Exclude from 3-peat Processing
Grade Mode: Credit/No Credit

SPSY 5391. Research Seminar.
This course provides students with knowledge of the nature and
methods of social science research. Students will develop research
literacy through critical reading and examination of both quantitative
and qualitative research. Additional emphasis is given to the relationship
and application of science to professional practice.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Course Attribute(s): Exclude from 3-peat Processing
Grade Mode: Standard Letter

The course provides a broad overview of the psychosocial,
psychoeducational and multicultural issues surrounding the delivery of
psychoeducational services to students in school systems. The course
will help the student develop cross-cultural sensitivity when conducting
assessments, providing consultation and performing other interventions.
(MULT).
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Course Attribute(s): Multicultural Content
Grade Mode: Standard Letter

SPSY 5399A. Crisis Prevention, Intervention, and Response in the
Schools.
This course provides core knowledge related to fostering school safety
and healthy learning environments, preventing school violence, preparing
for crisis events that may impact the school community, and responding
to school crises. It emphasizes research that informs best practices and
provides information to promote leadership on school safety teams.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Credit/No Credit

SPSY 6301. Professional Internship in School Psychology.
Professional internship may be a continuation of the supervised school
based experience or a placement in an appropriate alternative setting
with supervision by a licensed psychologist. A minimum of 600 clock
hours of experience is required.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Credit/No Credit

SPSY 6302. Professional Internship in School Psychology.
Professional internship may be a continuation of the supervised school
based experience or a placement in an appropriate alternative setting
with supervision by a licensed psychologist. A minimum of 600 clock
hours of experience is required.
3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.
Grade Mode: Credit/No Credit
