ADDITIONAL FEES AND EXPENSES

Auditing Fees
Where auditing of a course is permitted, all fees will be the same as if the course were taken for credit. Eligible senior citizens, 65 or older, may audit courses without payment of a fee if space is available. For additional information, please visit the Auditing a Course (https://www.registrar.txstate.edu/registration/audit.html) page.

Campus Parking/Vehicle Registration
Every student, faculty, and staff person who operates or parks a vehicle on campus must:

1. register the vehicle with Parking Services;
2. purchase a permit;
3. properly display the permit any time the vehicle is parked on campus; and
4. become familiar with and abide by the Traffic and Parking Rules.

The rules are enforced at all times throughout the year. The purchase of a permit and registration of the vehicle do not guarantee a parking space. Residence hall students must first submit an application to the Parking Services office before bringing a vehicle to campus. Residence hall parking spaces are limited, and it is recommended that on-campus residents not bring a vehicle to campus unless absolutely necessary. Commuters may register their vehicles on-line at http://www.parking.txstate.edu/.

Fees for vehicle registration will be published each year in the official rules and regulations and on the Parking Services website. Additional information concerning the purchase and issuance of parking permits may be obtained by contacting Parking Services at 512.245.2887.

The "Hold" will be removed only after they purchase the student health insurance plan endorsed by the university. The have a "Hold" removed, students must email their proof of enrollment in health insurance to intlhealth@txstate.edu. Health insurance holds will be removed by 5:00 p.m. the next business day.

Students’ Financial Obligations
Tuition and fees are to be paid in full before the beginning of the semester or paid under an installment plan with an initial payment due before the beginning of the semester. Students are expected to meet their financial obligations to Texas State within the designated time allowed. For additional information, please visit the Student Business Services (http://www.sbs.txstate.edu/) website.

As consequences for the student’s failure to meet financial obligations, the university may:
1. withhold official transcripts;
2. deny registration and payment confirmation of subsequent semesters;
3. assess additional fees for delinquent payments and returned items as detailed on the Student Business Services (http://www.sbs.txstate.edu/) website;
4. report unpaid university obligations to credit agencies;
5. cease university-provided services; and
6. place warrant holds with the State Comptroller’s Office stopping state payment to the individual owing the debt.

Payment of Fees
Please visit the Payment Options (https://www.sbs.txstate.edu/students/payment-options.html) and Payment Methods (https://www.sbs.txstate.edu/students/Methods-of-Payment.html) pages of the Student Business Services website for information regarding payment of tuition, fees, room and board.

Please note the following:
- A 2.85% convenience fee with a minimum $3 per transaction fee is applied to credit/debit card payments (effective 9/2012). The convenience fee is not collected by the university and is therefore non-refundable.
- Mailed payments must be RECEIVED, not postmarked, BY THE DUE DATE. You must make allowances for any postal delays. Please include the student ID number.

Financial Aid and Tuition Adjustment Recipients:
Students receiving financial aid and/or a tuition adjustment, should check their student account by logging in to the Payment Portal on the Student Business Services (https://www.sbs.txstate.edu/) website to ensure that credit was applied.
• Approved tuition adjustments will apply to the student account once received and processed. The Billing and Payment site does take 24 hours to update with this information.
• Students with a financial aid credit or tuition adjustment that covers 100% tuition, fees, and room and board do not need to take action.
• If the financial aid or tuition adjustment is not sufficient to cover 100% of the charges, the student must pay the total balance due or enroll in a payment plan to avoid course cancellation.

Installment Payments
Students are responsible for making their installment payments by the due date. The installment due dates are listed on the Important Dates (https://www.sbs.txstate.edu/students/dates.html) page of the Student Business Services website. Students can check their balance, installment amounts, and make payments online by visiting the Student Business Services (https://www.sbs.txstate.edu/) website.

Late Payment Fee
A delinquent charge of $65 will be assessed the first business day after the final payment due date of the semester. Under Texas Education Code §54.007, a student who fails to make full payment of tuition and fees, including any incidental fees, by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make full payment prior to the end of the semester or term may be denied credit for the work done that semester or term. See the Students’ Financial Obligation section for more details.

Returned Checks
If a check or EFT is returned unpaid for any reason other than the admitted error of the bank, the student must pay for the returned check with cash, cashier’s check, money order or credit card (MasterCard, VISA, Discover, Diners Club or American Express) immediately. A $30.00 service fee is assessed for each returned check. Until the check is paid, the student will be on “Cash Only” status. Cash Only status is a denial of check cashing privileges on campus.

Individuals who have three returned checks or EFT within a 12-month period will be placed on Cash Only status.

Stopping payment on a check for fees or allowing the check to be returned unpaid by the bank for any reason does not constitute official withdrawal. Failure to follow procedures for withdrawing from Texas State may result in financial penalties and delays with future enrollment at the University.

Residency for Tuition Purposes
The determination of residency classification for tuition purposes is governed by statutes enacted by the Texas Legislature and rules and regulations promulgated by the Texas Higher Education Coordinating Board. A student or applicant is classified either as a resident of Texas, a non-resident, or a foreign student for tuition purposes. An individual’s residency classification is based on information from his or her admission application. If an applicant or student is classified as a non-resident and wishes to be considered for reclassification as a resident, it is necessary to submit the Residency Core Questions available from the Office of Undergraduate Admission. Documentation may be requested by the institution in order to resolve issues raised by the information provided in response to the Core Residency Questions.

Chapter 21 of the Texas Higher Education Coordinating Board Rules includes the following provisions covering some of the more common residency situations. They are neither exhaustive nor complete and should not be interpreted as such. Full regulations are available in the Coordinating Board publication Rules and Regulations for Determining Residency Status available at http://www.collegeforalltexans.com/ (Search: Residency).
