Comprehensive Examination Requirement

All students must pass a comprehensive examination with both a written and an oral component. The purpose of this examination is to provide a structured situation in which the candidate can demonstrate proficiency in the core concepts covered in the program. Students must see the graduate advisor for a detailed description of the comprehensive examination procedures. If a student fails the comprehensive examination, they will be allowed to retake it at the next regularly scheduled examination date. If a student fails a second time, they may petition the MSCJ Steering Committee for permission to take the examination a third time. Students will not be allowed to take an examination more than three times.

Students who do not successfully complete the requirements for the degree within the timelines specified will be dismissed from the program.
