MASTER OF SOCIAL WORK (M.S.W.) MAJOR IN ADVANCED PRACTICE LEADERSHIP

Major Program
The School of Social Work offers the master of social work (M.S.W.) degree, which prepares students for advanced specialized practice. The degree is fully accredited by the Council on Social Work Education. Social work practice at the M.S.W. level shares a common core of knowledge, values, and skills. Throughout the curriculum, the School emphasizes social justice and professional ethics. The M.S.W. degree prepares graduates for a wide variety of positions in many diverse, interesting fields that address human needs.

Application Requirements
The items listed below are required for admission consideration for applicable semesters of entry during the 2017-2018 academic year. Submission instructions, additional details, and changes to admission requirements for semesters other than the 2017-2018 academic year can be found on the program’s web page (http://gradcollege.txstate.edu/programs). International students should review the International Admission Documents (http://mycatalog.txstate.edu/graduate/admission-documents/international) section of the catalog for additional requirements.

Degree Requirements
The M.S.W. degree program prepares graduates for advanced specialized professional social work practice, particularly in public services. The M.S.W. degree program offers regular and advanced standing tracks, as well as full- and part-time study.

The regular track involves 62 hours of course work. Full-time students typically spend two years (five terms) to complete the degree, while part-time students will commit four years to complete the M.S.W.

The advanced standing program (which enrolls students directly into second year content) consists of 36 hours of course work organized across one calendar year of three terms. Advanced standing is open to students who hold the B.S.W. degree. Students committed to part-time study should expect to spend two years to complete the advanced standing track.

The first (foundation) year curriculum focuses on the generic foundation knowledge and skills necessary for general social work practice, while the second (advanced) year focuses on specialized practice. Regular track students in their second year of course work, as well as advanced standing students, select a concentration of study in Advanced Practice Leadership.

Courses may be offered face-to-face, on-line, by web-casting or interactive television, or using a combination of these teaching methods.

Regular admission students must complete 62 credit hours to earn the M.S.W. degree. Advanced standing students must complete 36 credit hours.

Master of Social Work (M.S.W.) Major in Advanced Practice Leadership

Field Practicum
Field practicum (internship) involves the student intern working in a social service agency under the intensive supervision of a licensed master social worker. All regular track students (full- and part-time) must complete a total of 20 semester credit hours of field practicum, while advanced standing students must complete a total of 12 semester credit hours of field practicum. Regular track students complete a first-year field practicum while concurrently enrolled in other classes. In the second year, for both full-time regular track and advanced standing students, field practicum occurs during the spring term. Part-time students may spread second-year field practicums across two terms.
