Music, so too have the facilities expanded to keep pace with its diversity and the degree programs, please contact the director of graduate studies in music. Financial Assistance

Scholarships, which may include a waiver of out-of-state tuition, and graduate assistantships (with teaching duties in the department) are available to qualified applicants. For further information about financial assistance and the degree programs, please contact the director of graduate studies in music.

Facilities

As the music program has grown into a large, comprehensive School of Music, so too have the facilities expanded to keep pace with its diversity of ensembles, programs, and students.

Music Building

At 101 Pleasant Street, the Music Building includes six classrooms, three large rehearsal rooms, and three smaller rehearsal rooms. The facility also contains a 149-seat Music Building Recital Hall, the Schneider Music Library, 40 practice rooms, an electronic piano laboratory, a multi-station music computer lab, instrument storage rooms and the administrative office suite. Some 13 faculty offices and 49 larger teaching studios are also in the main building.

Performing Arts Center

The Performing Arts Center on Moon Street includes an acoustically superb 312-seat recital hall. Equipped with two Steinway D concert grand pianos and a beautiful custom-built Flemish replica harpsichord, the hall hosts performances by international guest artists, music faculty, and some student ensembles. It is a learning laboratory for student degree recitals. Another venue, the Patti Strickel Harrison Theater, provides a state-of-the-art theater with orchestra pit for Texas State Opera Theatre productions.

Evans Auditorium

Evans is the largest performance hall on campus with a seating capacity of 933. The university’s wind bands, orchestra, and University Arts events utilize Evans as a performance site. Evans also contains two Steinway concert grand pianos.

Fire Station Studio

The Fire Station Studio is located near campus on Guadalupe Street and is available for both Texas State and non-Texas State persons to rent for commercial purposes. The studio houses the School of Music’s sound recording technology program and contains one large recording studio, two smaller studios, and one mixing room.

Colorado Building

Located on Pleasant Street, it houses the Balinese Gamelan, 16 additional practice rooms, and Marching Band storage.

Lampasas Hall

Offering music an additional 5 offices and 3 teaching studios, Lampasas is the second oldest building on campus and was beautifully renovated in 2012.

Marching Band Field/Storage

Located across from Strahan Coliseum, the Bobcat Marching Band field includes a standard 100+ yard field, multi-level director’s tower, and newly completed equipment storage facility.
