The Center for International Studies is dedicated to understanding and appreciating the rich cultural, political, and social diversity of the world. Our mission is to provide quality interdisciplinary education about international affairs that will prepare graduates for rewarding careers in the public and private sectors, including law, diplomacy, and business, as well as further graduate level education.

**Learning Outcomes**

- Students will demonstrate the ability to analyze international relations problems.
- Students will demonstrate knowledge of interdisciplinary perspectives on global issues, processes, trends, systems, and foreign policy constants.
- Students will demonstrate oral and written communication skills in international studies with a focus on international business, foreign policy, or travel and tourism.
- Students will demonstrate the ability to conduct research on international relations problems.
- Students will demonstrate understanding of their culture in a global and comparative context.
