Program Overview
The graduate certificate in Professional Ethics will help students engage more fully with ethical issues in their professional life. This 12-hour certificate program will enhance students’ abilities to analyze arguments, capacities to reason and express themselves clearly, leadership skills, and awareness of the ethical dimensions of work and public life. The certificate is available online or face-to-face and is open to all interested persons who hold a bachelor’s degree with a 3.0 minimum GPA.

Application Requirements
The items listed below are required for admission consideration for applicable semesters of entry during the current academic year. Submission instructions, additional details, and changes to admission requirements for semesters other than the current academic year can be found on The Graduate College’s website (http://www.gradcollege.txstate.edu). International students should review the International Admission Documents page (http://mycatalog.txstate.edu/graduate/admission-documents/international/) for additional requirements.

Course Requirements
The graduate certificate in Professional Ethics requires 12 semester credit hours – six hours of required course work (two courses), three hours of directed PHIL elective and three hours of elective course work. The required courses are PHIL 5322: Professional Ethics and PHIL 5301: Applied Philosophy.

The directed elective must be chosen from:

PHIL 5303: Philosophy of Technology
PHIL 5320: History of Ethics

PHIL 5323: Environmental Ethics

PHIL 5327 Medical Ethics and Bioethics
PHIL 5329: Food Ethics
PHIL 5360A: Ethics and Dementia
PHIL 5360B. Moral Psychology
PHIL 5360C. Philosophy, Nonviolence, Sustainability, and Social Change
PHIL 5395. Internship in Applied Philosophy

The elective course may be selected from any of the graduate courses in PHIL or REL.
