Master of Science (M.S.), Major in Dementia and Aging Studies

Major Program

This interdisciplinary, online degree offers cutting-edge knowledge about dementia and aging studies, including evolving issues related to the care of persons with dementia and other topics related to aging and the life course.

Housed in the Department of Sociology, this program also includes coursework from the Department of Communication Studies, the School of Health Administration, and the School of Social Work.

Admission Policy

For information regarding admission application requirements and deadlines, please visit The Graduate College website at http://www.gradcollege.txstate.edu/das.html.

Degree Requirements

The program is composed of three tracks:

1. Dementia and long-term care
2. Practitioner
3. Research

Each offers a different pathway for students upon graduation.

Course Work Requirements

Dementia and Aging Studies Core
SOCI 5351 Introduction to Dementia Studies 3
SOCI 5352 Dementia and Caregiving 3
SOCI 5355 The Social Psychology of Dementia 3
SOCI 5358 Seminar on Aging 3
Total Hours 12

Dementia and Long-term Care Track
Dementia and long-term care allies the long-term care certificate with core course work from the Department of Sociology to provide a social model of care approach to students who want to work in extended living environments when they graduate. Students in the dementia and long-term care track take the following courses:

Dementia and Aging Studies Core 12
Dementia and Long-term Care Courses
LTCA 5322 Environmental Management in Long Term Care 3
LTCA 5323 Governance Management in Long Term Care 3
LTCA 5324 Personnel Management in Long Term Care 3
LTCA 5325 Resident Care Management in Long Term Care 3
LTCA 5335 Financial Management in Long Term Care 3
Total Hours 33

Practitioner Track
The practitioner track offers an in-depth education involving course work from all participating departments and allowing students to work in any facility or organization whose concern is the health and well-being of the individuals affected by dementia. Students in the practitioner track take the following courses:

Dementia and Aging Studies Core 12
Practitioner Courses
Choose 21 hours from the following:

CDIS 5380 Communication and Aging
LTCA 5322 Environmental Management in Long Term Care
LTCA 5323 Governance Management in Long Term Care
LTCA 5324 Personnel Management in Long Term Care
LTCA 5325 Resident Care Management in Long Term Care
LTCA 5335 Financial Management in Long Term Care

SOCI 5362 Rural Aging and Dementia
SOCI 5363 Seminar in Medical Sociology
SOCI 5388I Clinical Sociology: Counseling the Elderly
SOWK 5328 Interdisciplinary Perspectives on Aging
Total Hours 33

Research Track
The research track offers masters-level research courses, as well as core course work, to prepare students for doctoral programs in gerontology, sociology, and related fields. Students in the research track take the following courses:

Dementia and Aging Studies Core 12
Research Courses
SOCI 5307 Advanced Statistics for the Social Sciences 3
SOCI 5308 Seminar in Research Methods 3
or SOCI 5309 Seminar in Qualitative Research Methods 3
Choose 9 hours from the following electives:

Comprehensive Exams
Students in the practitioner and long-term care tracks must pass a comprehensive examination at the end of their course work. Students completing the research track must pass a comprehensive exam and defend their thesis at the end of their course work.

Students will be expected to demonstrate knowledge of material from their course work.

If a student elects to follow the thesis option for the degree, a committee to direct the written thesis will be established. The thesis must demonstrate the student’s capability for research and independent thought. Preparation of the thesis must be in conformity with the Graduate College Guide to Preparing and Submitting a Thesis or Dissertation. The thesis handbook may be accessed at http://www.gradcollege.txstate.edu/docs/Thesis_Diss_Guide.pdf.

Thesis Proposal
The student must submit an official Master’s Thesis Proposal form to their thesis committee. The required thesis proposal form may be obtained from The Graduate College at http://www.gradcollege.txstate.edu/gcforms.html. After signing the form and obtaining committee members’ signatures, graduate advisor’s signature (if required by the program), and the department chair’s signature, the student must submit the thesis proposal form with one copy of the proposal attached to the dean of The Graduate College for approval before proceeding with research on the thesis. If the thesis research involves human subjects, the student must obtain exemption or approval from the Texas State Institutional Review Board prior to submitting the proposal form to The Graduate College. If the thesis research involves vertebrate animals, the proposal form must include the Texas State IACUC approval code. It is recommended the thesis proposal form be submitted to the dean of The Graduate College by the end of the student’s enrollment in 5399A.

Thesis Committee
The thesis committee must be composed of a minimum of three approved graduate faculty members.

Thesis Enrollment and Credit
The completion of a minimum of six hours of thesis enrollment is required. Enrollment for the thesis will be in course number 5399A for a student’s initial thesis enrollment and a thesis B course for each subsequent thesis enrollment in the field in which the subject matter of the thesis falls, e.g., PS 5399A and PS 5399B. Preliminary discussions regarding the selection of a topic and assignment to a research supervisor will not require enrollment for the thesis course.

A student will be required to enroll in and pay the fee for at least one hour of the thesis course during any term in which the student will receive thesis supervision or guidance and/or in which the student is using university resources. Failure to register for the thesis course during a term in which supervision is received may result in postponement of graduation. After initial enrollment in 5399A, the student will continue to enroll in a thesis B course as long as it takes to complete the thesis. In the rare case when a student has not previously enrolled in thesis and plans to work on and complete the thesis in one term, the student will enroll in both 5399A and 5399B. The only grades assigned for thesis courses are PR (progress), CR (credit), W (withdrawn), and F (failing). If acceptable progress is not being made in a thesis course, the instructor may issue a grade of F. If the student is making acceptable progress, a grade of PR is assigned until the thesis is completed. The minimum number of hours of thesis credit (“CR”) will be awarded only after the thesis is filed in the Alkek Library and the librarian has electronically returned the thesis card to the office of The Graduate College.

A student who has selected the thesis option must be registered for the thesis course during the term or Summer I (during summer the thesis course runs ten weeks for both sessions) in which the degree will be conferred.

Fee Reduction
A master’s degree candidate for graduation may be eligible for a one-time fee reduction under V.T.C.A. Education Code, Section 54.054. Please refer to the section titled Fee Reduction in the Additional Fees and Expenses chapter of this catalog for more information.

Thesis Deadlines and Approval Process
Thesis deadlines are posted at the following webpage: http://www.gradcollege.txstate.edu/Thes-Diss_Info/T-D_Deadlines.html. The completed thesis must be submitted to the chair of the thesis committee no later than 41 days before the date of the commencement at which the degree is to be conferred.

The following must be submitted to the office of The Graduate College no later than 24 days, not counting weekends or holidays, before the date of commencement at which the degree is to be conferred (see The Graduate College webpage for specific deadlines):

1. The Thesis/Dissertation Committee Approval form bearing original signatures of the student and all committee members.
2. One (1) copy of the thesis in final form, approved by all committee members, on standard paper (Hard-copy Submission Option) or PDF of the thesis in final form, approved by all committee members, uploaded in the on-line Vireo submission system (Vireo On-line Submission Option).

After the dean of The Graduate College approves the thesis, the process is as follows:

1. For the Vireo On-line Submission Option:
   a. No copies are required to be submitted to the Alkek Library. However, Alkek will bind copies submitted that the student wants bound for personal use. Personal copies are not required to be printed on archival quality paper. The student will take the personal copies to the Alkek Library and pay the binding fee for personal copies.

Master’s level courses in Sociology and related disciplines: CDIS (p. 3), LTCA (p. 3), SOCI (p. 3)
Courses Offered
Communication Disorders (CDIS)
For dementia and aging studies majors only.
