MASTER OF ARTS (M.A.)
MAJOR IN SPANISH (36-HOUR

MINOR OPTION)

Major Program
The master of arts (M.A.) program in Spanish is a dynamic academic
unit that combines research and applied learning in order to advance
knowledge of the Spanish language and the literature and cultures of the
Hispanic world. Its objective is to empower individuals to be productive
in a global society. At Texas State, the Spanish M.A. program provides
students with the foundation they need to:

1. serve in a wide range of public and private sector professions
   requiring a high degree of proficiency in Spanish,
2. pursue doctoral studies, and
3. teach in institutions of higher learning.

The M.A. program is designed for students interested in advancing their
skills and knowledge within the context of organized research in Spanish
language, literature, and culture.

The M.A. program with minor allows students to advance their skills
and knowledge within the context of organized research in Spanish
language, literature, and culture and to develop a minor interest in a
related area. Students may choose among minors in the humanities,
social sciences, education, or other disciplines, or they may develop
special emphases in literary periods or areas such as Latin American
studies, Medieval/Renaissance studies, Chicano/Chicana literature,
critical theory, humanities, linguistics, education, or women's studies.

Financial Assistance
Qualified graduate students in the M.A. program may apply for
appointments as instructional assistants or teaching assistants. Application
forms for instructional assistantships and teaching assistantships are available from the department administrative
assistant. For information on other scholarship programs for graduate
