Mission Statement
Our mission is to offer quality, student-centered accounting programs for graduate students. Our primary goal is to prepare students for professional careers in public accounting, industry, government, nonprofit, and other organizations. We strive to:

- Deliver graduate programs that prepare students with diverse undergraduate degrees for professional careers in accounting, including eligibility for licensure by State Boards of Public Accountancy.
- Provide innovative quality instruction and curricula that offer strong conceptual foundations and technical skills in accounting. Our programs emphasize critical thinking, ethical decision-making, technology usage, and communication skills.
- Engage in intellectual contributions that have impact in the areas of discipline-based scholarship, contributions to practice and learning, and pedagogical research.
- Provide service to our department, college, university, and other academic organizations. This includes engagement with the accounting profession and accounting student organizations. We also strive to build and maintain professional relationships among students, alumni, the accounting profession, and other stakeholders.

Master of Accountancy (M.Acy.)
- Major in Accounting (http://mycatalog.txstate.edu/graduate/mccoy-business-administration/accounting/macy)
