MASTER OF ACCOUNTANCY (M.ACY.) MAJOR IN ACCOUNTING (AUDITING CONCENTRATION)

Program Overview
The Master of Accountancy (M.Acy.) degree with a major in Accounting is designed to broaden the educational experience of individuals preparing for a career in the public accounting profession. Students explore the social, ethical, and environmental effects of accounting information on those who rely on it for their decision making needs. The M.Acy. program can be used to satisfy the 150-hour education requirement for the Certified Public Accountant (CPA) exam in Texas.

Application Requirements
The items listed below are required for admission consideration for applicable semesters of entry during the current academic year. Submission instructions, additional details, and changes to admission requirements for semesters other than the current academic year can be found on The Graduate College’s website (http://www.gradcollege.txstate.edu). International students should review the International Admission Documents webpage (http://mycatalog.txstate.edu/graduate/admission-documents/international/) for additional requirements.

- completed online application
- $55 nonrefundable application fee
- or
- $90 nonrefundable application fee for applications with international credentials
- baccalaureate degree from a regionally accredited university
- official transcripts from each institution where course credit was granted
- a competitive GPA in the last 60 hours of undergraduate course work (plus any completed graduate courses)
- Before applying to the program, applicants must have completed a minimum of ACC 3313 and ACC 3314 with a grade of 'B' or better and at least 6 additional hours of upper level accounting courses from the following for a total of 12 upper level accounting hours: ACC 3363, ACC 3365, ACC 3385, ACC 4313, ACC 4328.
- Effective Spring 2021 admissions: Texas State accounting majors with at least an overall 3.2 GPA and a 3.4 GPA in upper-level accounting courses and who earn an "A" the first time taking ACC 3313 and a "B" or better in one additional upper level accounting course may apply to the program before completing ACC 3314 and additional upper level accounting courses.
- resume/CV detailing work experience, extracurricular and community activities, and honors and achievements
- two forms of recommendation from persons best able to assess the student's ability to succeed in graduate school
- responses to specific essay questions
- official GMAT or GRE (general test only) with competitive scores

- A GRE or GMAT waiver and essay waiver may be available for Texas State accounting undergraduate applicants who have:
  - earned a minimum of a 3.2 GPA or higher in the last 60 hours of undergraduate course work
  - earned a minimum of a 3.4 GPA or higher in upper-level accounting courses
  - provided at least two reference forms from Texas State faculty

TOEFL or IELTS Scores
Non-native English speakers who do not qualify for an English proficiency waiver:

- official TOEFL iBT scores required with a 78 overall and minimum individual module scores of
  - 19 listening
  - 19 reading
  - 19 speaking
  - 18 writing
- official IELTS (academic) scores required with a 6.5 overall and
  - minimum individual module scores of 6.0

This program does not offer admission if the scores above are not met.

Degree Requirements
The Master of Accountancy (M.Acy.) degree with a major in Accounting concentration in Auditing requires 30 semester credit hours. Students must complete a comprehensive examination at the end of the program to satisfy university requirements. Students who do not have the appropriate background course work may be required to complete leveling or prerequisite courses.

Any student enrolled in a graduate degree program in the McCoy College of Business Administration can earn no more than two grades of ‘C’ or lower. Even if the grade of ‘C’ or lower was replaced with a higher grade as a result of repeating the course, the original grade counts as a "strike" under this policy. Upon earning the third ‘C’ (or lower), the student is automatically placed on academic suspension and permanently dismissed from their degree program without any possibility of readmission to their program or another degree program in McCoy College. The 3 ‘C’ Policy takes precedent over probationary status. So, if a student earns a third ‘C’ they are automatically dismissed from their program permanently; even if probation does not occur.

### Courses for CPA Eligibility

All graduates will have the 30 upper-level accounting hours and ethics course required to sit for the CPA Exam in Texas; however, graduates may still need 24 hours of related business course work. To be eligible to sit for the CPA exam in Texas, the candidate must have 24 hours of upper level business courses. The 24 hours may be completed at a community college or university, at the undergraduate or graduate level. There is a limit of 6 hours in any one area (i.e., management, economics, business law, etc.). Additionally, business statistics and communication may be used to meet this requirement. For further information, please consult with the Texas State Board of Public Accountancy [http://www.tsbpa.state.tx.us/](http://www.tsbpa.state.tx.us/).

### Comprehensive Examination Requirement

The MAcy comprehensive exam is an on-campus comprehensive exam that contains three parts. This three-part exam tests students over the content covered in five core courses. Each part may be taken separately once a student completes all required coursework related to that part of the exam. Each part may be repeated if necessary, but all three parts must be successfully completed before a candidate is considered to have completed the comprehensive exam requirement. MAcy core courses are informed by content found in three-quarters of the Certified Public Accounting (CPA) licensing exam. If a student provides a passing score for a section of the CPA exam, the on campus comprehensive exam is waived.

Students who do not successfully complete the requirements for the degree within the timelines specified will be dismissed from the program.

### Courses Offered

**Accounting (ACC)**

**ACC 5315. Selected Topics in Financial Accounting.**

The study of specialized financial accounting topics, existing and prospective, necessary for an advanced understanding of financial reporting. Topics include: pensions and post-retirement benefits, deferred taxes, derivatives, share-based payments, interim and segment reporting and emerging issues of the Emerging Issues Task Force. Prerequisite: ACC 3314 with a grade of “B” or better.

*3 Credit Hours. 3 Lecture Contact Hours. 0 Lab Contact Hours.*
