MASTER OF SCIENCE (M.S.)
MAJOR IN HUMAN RESOURCE MANAGEMENT

Major Program
The Master of Science (M.S.) in Human Resource Management program is a flexible, part-time program designed to prepare people for successful careers in human resource management. In comparison to the M.B.A. program, which offers a broad-based business education, the M.S. program offers in-depth knowledge associated with the major aspects of human resource management. The M.S. curriculum has been designed to adhere to educational guidelines set forth by the Society for Human Resource Management (SHRM), the premier professional association for the human resource field.

Application Requirements
The items listed below are required for admission consideration for applicable semesters of entry during the current academic year. Submission instructions, additional details, and changes to admission requirements for semesters other than the current academic year can be found on The Graduate College's website (http://www.gradcollege.txstate.edu). Degree Requirements
The Master of Science (M.S.) degree with a major in Human Resource Management requires 30 semester credit hours.

Any student enrolled in a graduate degree program in the McCoy College of Business Administration can earn no more than two grades of C or lower. Even if the grade of C or lower was replaced with a higher grade as a result of repeating the course, the original grade counts as a "strike" under this policy. Upon earning the third C (or lower), the student is automatically placed on academic suspension and permanently dismissed from their degree program without any possibility of readmission to their program or another degree program in McCoy College. The 3 C Policy takes precedent over probationary status. So, if a student earns a third C they are automatically dismissed from their program permanently; even if probation does not occur.
