

Minor hours required are in addition to the hours required for the student's chosen major. If you select a minor that has more hours than your degree plan requires, your total degree hours will increase by the number of excess hours in the minor. If you select a minor with fewer hours your degree plan requires, you must still meet the minimum hours required toward the degree. To change your minor please complete the change of minor/concentration form (https://www.gradcollege.txst.edu/docs/Change_of_Minor_or_Concentration_Form.pdf).

Click the name of the minor to find the course requirements and other requirements that may apply such as admission, GPA, etc.
