The Department of Curriculum and Instruction at Texas State University offers undergraduate degrees that focus on the preparation and development of teachers and teacher leaders. All undergraduate programs in the department lead to initial teaching certification and have robust field experiences in local schools prior to clinical practice (student teaching).

Levels of Certification

Students who wish to teach Early Childhood (EC) through Grade 6 (elementary with specializations in either English as a Second Language or Bilingual Education), Grades 4-8 (middle school), or All-Level Special Education pursue the Bachelor of Science major in Interdisciplinary Studies.

Students seeking 6-12, 7-12, or 8-12 (Grade Six, Seven, or Eight through Grade Twelve) certification or All-level certification in other disciplines will complete an academic major within their chosen teaching field in the department and college where that major is housed and should consult with advisors in that college.

For a list of teacher certifications available at Texas State, see https://www.education.txstate.edu/oep/current初始 certification/certification-exams/list.html.

Interdisciplinary Studies Majors

Students seeking this major should consult with advisors in the College of Education Undergraduate Advising Center (https://www.education.txstate.edu/advising/) for detailed information regarding specific degree requirements, the semester-by-semester sequence, and other requirements such as block applications. Because courses must be taken in a predetermined sequence, it is likely that students will be required to attend summer sessions in order to complete the program within a 4-year time period.

Admittance to the Educator Preparation Program

All degrees that lead to teaching certification require formal admittance into the Educator Preparation Program by the Office of Educator Preparation Program. This acceptance includes payment to the university of a state mandated Texas Educational Agency technology fee.

Please see http://www.education.txstate.edu/oep/ for current admittance requirements and procedures. Note that the Texas Educational Agency (TEA) requires multiple background checks for progression through Educator Preparation Programs.

If you are concerned about your criminal history, you may obtain a Preliminary Criminal History Evaluation from TEA. For more information, click here (https://tea.texas.gov/)
