The Department of Curriculum and Instruction at Texas State University offers undergraduate degrees that focus on the preparation and development of teachers and teacher leaders. All undergraduate programs in the department lead to initial teaching certification and have robust field experiences in local schools prior to clinical practice (clinical teaching).

**Levels of Certification**

Students who wish to teach Elementary Core Subjects (Early Childhood through Grade 6 with specialization in English as a Second Language or Bilingual/Biliteracy Education), Middle Level (Grades 4 through 8 with specializations in Mathematics, Science, or English/Language Arts/Reading/Social Studies), or All-Level Special Education pursue the Bachelor of Science major in Education.

Students seeking other All-Level or Secondary (Grade 6, 7, or 8 through 12) certifications will complete an academic major within their chosen teaching field in the department and college where that major is housed and should consult with advisors in that college. Some programs also require a double major or a minor in education.

For a list of teacher certifications available at Texas State, see [https://www.education.txstate.edu/oep/current/initial-certification/certification-exams/list.html](https://www.education.txstate.edu/oep/current/initial-certification/certification-exams/list.html).

**Education Majors**

Students seeking this major as their primary major should consult with advisors in the College of Education Undergraduate Advising Center (https://www.education.txstate.edu/advising/) for detailed information regarding specific degree requirements, semester-by-semester course sequencing, and referrals to the application processes for Educator Preparation Program Admittance and Field-based Block placements. Students may be required to attend summer sessions in order to complete the program within a 4-year time period.

**Teacher Certification**

In addition to an earned baccalaureate degree, there are six criteria for earning certification:

- Admittance to the Educator Preparation Program
- A passing criminal history review
- Completion of Field-Based Block
- Passing scores on all required certification exams
- Satisfactory completion of Clinical Teaching
- Applications for graduation as well as state certification

**Admittance to the Educator Preparation Program**

In order to pursue teacher certification, students must apply and be invited to attend the Educator Preparation Program through the Office of Educator Preparation. If a student accepts this invitation, the student must then pay a required $35 Texas Education Agency technology fee before the student will be officially admitted. Please see [http://www.education.txstate.edu/oep](http://www.education.txstate.edu/oep) for current admittance requirements and procedures.

For more information about Admittance to the Educator Preparation Program, see the Teacher Certification Handbook on the Office of Educator Preparation website: [https://www.education.txstate.edu/oep/current/initial-certification.html](https://www.education.txstate.edu/oep/current/initial-certification.html).

Note that the Texas Educational Agency (TEA) requires multiple background checks for progression through educator preparation programs. If a student has a criminal history, that student is advised to request a Preliminary Criminal History Evaluation from the Texas Education Agency; schedule an appointment for free legal counseling services through Texas State University’s Attorney for Students ([https://attorney.dos.txst.edu/](https://attorney.dos.txst.edu/)) and disclose this information to the Office of Educator Preparation.
