

The minor in Education requires 21 semester credit hours and includes required education coursework for students seeking teaching certification for high school or all-level subject areas.

Students must declare a major in a subject area for which teacher certification is available to be eligible for this minor. The minor in Secondary Education is not available with all majors.

See the Academic Advisor in the College of your major for more information.

To satisfy graduation requirements for teacher certification, students must have an Overall GPA of 2.75 or better, as well as grades of "C" or better in all courses within the Major(s), Teaching Field(s), Certification area(s), and/or in the Education Minor.
