

BACHELOR OF SCIENCE (B.S.) MAJOR IN RECREATION ADMINISTRATION

**Minimum required: 120
semester credit hours**

General Requirements

1. Graduates are prepared to take the national examination to obtain the Certified Park and Recreation Professional certification endorsed by the National Recreation and Park Association.
2. Students must select a minor from the approved list of Undergraduate Minors (<http://www.mycatalog.txstate.edu/undergraduate/minors/>) but are not eligible for the Minor in Recreation Administration.
3. Students must complete a minimum of 36 advanced hours (3000 or 4000 level courses).
4. The minimum number of hours required for this degree program is 120. The number of free elective hours a student will complete depends on the number of hours a student may need to achieve the required 120 total or 36 advanced hours. REC 4335 is available as an elective. Consult with an academic advisor for further recommendations on elective choices.
5. Students should be aware that some REC courses may only be offered once a year, during a Fall or Spring semester.
6. Students entering Texas State with fewer than 16 hours completed after high school graduation will be required to take US 1100. All others will be exempt from taking this course but will be required to earn an additional free elective, if needed, to reach the 120 minimum total hour requirement for the awarding of a degree.
7. The general education core curriculum courses are listed in the degree plan below along with the statewide component code number. See the General Education Core Curriculum (<http://mycatalog.txstate.edu/undergraduate/general-education-core-curriculum/>) section of this catalog for the Texas State requirements and options in the core curriculum, including Honors courses.
8. Prior to graduation, students will complete a 400 hour internship. In order to be approved for an internship students must have a Major GPA of 2.25 or higher.
