

BACHELOR OF SCIENCE (B.S.) MAJOR IN RECREATION ADMINISTRATION (THERAPEUTIC RECREATION CONCENTRATION)

**Minimum required: 120
semester credit hours**

General Requirements

1. The general education core curriculum courses are listed in the degree plan below along with the statewide component code number. See the General Education Core Curriculum (<http://mycatalog.txstate.edu/undergraduate/general-education-core-curriculum>) section of this catalog for the Texas State requirements and options in the core curriculum, including Honors courses.
2. Students entering Texas State with fewer than 16 hours completed after high school graduation will be required to take US 1100. All others will be exempt from taking this course but will be required to earn an additional free elective, if needed, to reach the 120 minimum total hour requirement for the awarding of a degree.
3. Students should be aware that some REC courses may only be offered once a year, during a Fall or Spring semester.
4. Graduates are eligible to sit for examinations for the National Council for Therapeutic Recreation Certification (NCTRC) and the Certified Parks and Recreation Professional (CPRP).
5. No minor is required in this degree plan because the Therapeutic Recreation courses that are necessary for the NCTRC and CPRP certifications serve to broaden the study of the Recreation Administration major.

Course Requirements

Freshman	Hours
COMM 1310 (Component Area Option Code 090/091)	3
ENG 1310 (Communication Component Code 010)	3
ENG 1320 (Communication Component Code 010)	3
Life & Physical Sciences Component Code 030	3
Life & Physical Sciences Component Code 030	3
