Admission Requirements
Students wanting to enter the music program as a music major must
submit an online application and audition on their principal instrument or
voice the semester before their desired entrance. Students interested in
Sound Recording Technology must complete an additional application,
submit materials for pre-screening (see www.txstate.edu/music/srt
(http://www.txstate.edu/music/srt) for details), and interview.

Admission to the School of Music is contingent upon admission to Texas
State, successful completion of the audition process, and available space
in each studio. Moreover, a successful audition does not automatically
ensure acceptance to the School of Music at Texas State. Prospective
music majors will not be permitted to enroll in applied music and other
music major classes until they have been accepted based on their
audition and met with an academic advisor.

Auditions are held periodically throughout the year for enrollment the
following academic year. Those prospective music students unable to
audition in person due to geographic distance from campus may submit
an audio or video recording representative of their performing abilities.
The deadline to submit a recorded audition is March 1 (Fall admission)
or November 1 (Spring admission). Audition requirements are available
upon request and on the School of Music website.

School Policies
Those planning careers in music must have a high level of musical skill
and understanding. To help evaluate musical skills for counseling and
placement purposes, the School of Music requires all music majors to
pass several evaluations and academic requirements. Credit by
examination is available for Music Theory I - IV and Piano Techniques I
- IV only before entering the course sequence at Texas State. Students
testing out of one or more of the proficiency exams or courses above
must remit $10 to the University’s Testing Center (set fee whether
receiving credit for one or more courses) before your CR grade will be
processed by the Registrar’s Office. See an academic advisor and the
School of Music’s website for details.

A student who leaves Music major status in good standing can be
readmitted as a Music major without re-auditioning if returning within
twelve (12) months. A Music student who fails to complete or pass (note:
failing grades are F, N, and U) applied lessons or has not been a Music
major at Texas State for more than twelve (12) months (i.e. not enrolling
or two W grades in a row) will automatically be moved to a pre-music
status by their academic advisor and must re-apply and/or re-audition to
be accepted back as a Music major.

Music Theory Proficiency
Students seeking teacher certification must pass the theory proficiency
examination no later than the semester before student teaching. All other
music majors, with the exception of sound recording technology, must
pass the theory proficiency examination before applying for graduation.
A passing score is also a prerequisite for advanced theory coursework.
Theory proficiency requirements are available on the School of Music’s
website.

Upper Level Competency Review
The upper level competency review (ULCR) helps music majors determine
if they are pursuing the most suitable career. On completion of four long
semesters as a music major, the student’s total record is reviewed by the
music faculty. This review is completed before the student enrolls
for 3000-level courses in the degree area. The upper-level competency
review is offered at the end of each long semester. Specific information
and requirements are available in the School of Music Student Handbook.

Transfer students with four or more semesters of music study should
complete the exam at the end of the first long semester of study at Texas
State.

Piano Proficiency
All BA, BM - Music Studies, instrumental concentration students
seeking teacher certification, and BM – Performance, jazz concentration
students must pass the level II piano proficiency exam by the end of their
fourth (4th) long semester. BM – Performance, keyboard concentration
students must pass the piano majors piano proficiency exam by the
end of their fourth (4th) long semester. BM – Music Studies, choral
collection and all other BM – Performance majors must complete
the level IV piano proficiency exam before applying for graduation. Piano
proficiency requirements are available on the School of Music’s website.
Note: No Piano Proficiency exam is required for BS students.

Senior Recital
A senior recital is required for all students enrolled in a Bachelor of Music
degree program. Students seeking teacher certification must present
the recital no later than the semester before student teaching. Specific
requirements for the senior recital are described in the School of Music
Student Handbook and the School of Music’s website.

Recital Attendance Requirements
Each semester, various recitals and concerts are presented by students,
faculty, and visiting artists. All undergraduate music majors, with the
exception of Bachelor of Science students, are required to attend a
significant number of these events each semester, through enrollment in
Departmental Recital. In addition, applied music instructors may require
attendance at all recitals in the students individual performance area.

Grade Requirements
Students majoring in the School of Music must achieve a grade of “C” or
higher (including a CR in Departmental Recital) on all required music (MU,
MUSE and MUSP) courses.

Student Teaching Requirements
Before being allowed to enroll for student teaching, music students must have:

1. completed all major coursework for the degree with a “C” or higher;
2. presented a senior recital;
3. passed the Upper Level Competency Review;
4. passed the piano and theory proficiency examinations; and
5. fulfilled the requirements for teacher certification as determined by
   the College of Education.

Ensemble Requirements
All music majors must participate in the appropriate major ensemble
each semester. Music Studies majors are exempt from this requirement
during the student teaching semester only. Only one major and one
secondary ensemble will be counted toward the student’s degree plan per
semester.

Music Fees/Costs
This is a partial listing. Please consult the schedule of classes for other
registration fees.

- Instrument rental fee – $30 per semester (Includes all percussionists
  and students participating in percussion ensembles.)
- Choir dresses - $63 one-time charge (all women participating in a
  choral ensemble, with the exception of Vocalibre must purchase a
  choir dress through the School of Music)
- Tuxedos - up to $100 one-time charge (all men participating in
  a choral ensemble, with the exception of Vocalibre or a concert
  instrumental ensemble must rent/purchase a tuxedo; locations
  provided by ensemble director)

NOTE: Students enrolled in private voice lessons or instrumentalists
preparing for juries/recital performances are responsible for the cost of
providing their own accompanist for lessons, rehearsals, and recitals.
