Minimum required: 120 semester credit hours

Admission Requirements
1. All students seeking to major in music must be admitted to Texas State University. For more information on Texas State, visit https://www.txstate.edu/. Undergraduate students should visit the Office of Undergraduate Admissions at https://www.admissions.txstate.edu/ to learn about undergraduate level admission.

2. Students wanting to enter the music program as a music major (B.A., B.M., B.S.) must submit an online application and audition on their principal instrument or voice the semester before their desired entrance. For audition guidelines and requirements, prospective undergraduate students should visit: https://www.music.txstate.edu/prospectivestudents/BecomingaMusicMajor.html.

3. Students interested in the B.M. Performance, Composition Concentration must submit a portfolio (see https://www.music.txstate.edu/prospectivestudents/ BecomingaMusicMajor.html) and interview.

4. All students pursuing teacher certification must apply and be accepted to the Office of Educator Preparation once all course requirements and successful completion of the School of Music’s Upper Level Competency Review have been met in order to officially complete the Bachelor of Music major in Music Studies degree program.

5. Admission to the School of Music is contingent upon admission to Texas State, successful completion of the audition process, and available space in each studio. Moreover, a successful audition does not automatically ensure acceptance to the School of Music. Transfer students’ transcripts will be evaluated by an academic advisor prior to an acceptance decision to ensure that acceptance and successful degree plan completion are possible here at Texas State. Prospective music students will not be permitted to enroll in applied music and other music major classes until they have been accepted based on their audition and met with an academic advisor. Auditions are held periodically throughout the year for enrollment the following academic year. Those prospective music students unable to audition in person due to geographic distance from campus may submit an audio or video recording representative of their performing abilities that meet the audition guidelines for their instrument or voice. The deadline to submit a recorded audition is March 1 (for Fall admission) or November 1 (for Spring admission). Audition requirements are available on the School of Music website.
