

Texas State defines an international student as anyone who is in a non-immigrant visa status including H1-B visa holders. If you are not a U.S. Citizen, permanent resident, refugee, or asylee, you would be classified as an international student. Students who are not on a visa and are graduating from a Texas high school after three years in residence in Texas (please review Senate Bill 1528) are considered domestic applicants.

Application Process

International students should complete the International Application (<https://www.admissions.txst.edu/future-students/apply-for-admission.html>) by the Priority Date or Deadline (https://www.admissions.txst.edu/future-students/priority_dates.html). Students must submit the application and all academic credentials, including a certified English translation of the original academic records, if the originals are not in English. A non-refundable \$90.00 (USD) application fee is required of all international applicants. International students are not eligible for an application fee waiver.

Students whose native language is something other than English must present proof of English proficiency. A complete listing of ways to satisfy Texas State's English proficiency requirements can be found on our International Admissions Requirements webpage (<https://www.admissions.txst.edu/future-students/international/admissions-requirements.html>).

Freshman applicants who will be graduates of a foreign secondary school must demonstrate above-average classroom achievement and present an academic profile equivalent to that of a U.S. high school curriculum. Freshman applicants who will be graduates of a U.S. high school, and have completed at least two years in a U.S. high school, must meet the same freshman admission requirements (<https://www.admissions.txst.edu/future-students/freshman/admission-requirements.html>) as those of U.S. applicants.

Transfer applicants from within the U.S., as well as those transferring from foreign universities, must meet the grade point average (GPA) criteria outlined below. Transfer applicants will have varying cumulative transfer GPA requirements based on the number of transferable hours submitted.

- **Students with 14 or fewer** credit hours must meet a cumulative GPA requirement of a 2.0 as well as meet freshman admission standards (<https://www.admissions.txst.edu/future-students/freshman/admission-requirements.html>).
- **Students with 15-29** transfer credit hours must meet a cumulative GPA of a 2.5.
- **Students with 30 or more** transferable credit hours must meet a cumulative GPA of 2.25 (additional review will be completed for applicants to the McCoy College of Business (<https://www.admissions.txst.edu/future-students/additional-program-requirements.html>)).
