

NON-DEGREE SEEKING

The Non-degree Seeking Student option is intended for those not working toward a degree from Texas State. Students who have prior college work but have not earned a Bachelor's degree and wish to enroll for courses at Texas State may be considered for admission as a non-degree seeking student. Non-degree seekers are limited to a total of 24 semester hours and must reapply for admission each semester. Credit earned as a non-degree seeking student will not be considered for future admission to Texas State but may be considered for degree purposes only after the student has reapplied and met general admission requirements. Those admitted under this option are not eligible for Financial Aid. For more information on admission requirements and application procedures, visit the Office of Undergraduate Admissions.

Students who have earned a Bachelor's degree and wish to enroll in undergraduate courses should apply for admission as non-degree seeking through The Graduate College.
