

PRIORITY DATES AND DEADLINES

Prospective undergraduate students should apply for admission as early as possible. Those still in high school may apply once they have completed six semesters and can provide a high school transcript showing class rank and grades. College transfer students should do so after they have successfully completed 30 hours or more of transfer credit. The application for admission and all supporting documents must be received by the following priority dates or deadlines:

Summer 2018

Student Type	Application Becomes Available on	Submit Application and All Credentials by
Freshman	August 1, 2017	March 1, 2018
