Named on February 27, 2004 in honor of Mr. and Mrs. Emmett McCoy, the Emmett and Miriam McCoy College of Business provides broad-based undergraduate and masters-level educational programs that produce graduates with the values, knowledge, and skills to be successful in a diverse, globally competitive environment.

Mission
The McCoy College of Business is dedicated to empowering diverse students of exceptional promise to become leaders and innovators who create enduring value for business and society. We accomplish our mission by:

• Providing cutting-edge education that equips students with skills and capabilities to excel in a dynamic business environment.
• Producing rigorous research that addresses real-world challenges facing business and the environments in which they operate.
• Promoting strong collaborative partnerships that enrich the diverse communities we serve and creating a growing legacy for our alumni.

Vision
Through bold ideas and action, we seek to transform the lives of students and define the future of business in Texas and beyond.

Values
At the McCoy College of Business, we value:

• Our Community
  • We are a diverse and vibrant learning community united in our belief that business makes a world of difference and that our students thrive in a world of possibilities.
  • We create inclusive and welcoming spaces where individuals from all backgrounds can bring their voices and perspectives, create knowledge and meaning, and enrich our learning community.
• Our Students
  • We are dedicated to the success of our students where our knowledgeable and caring faculty and staff prepare students to lead in their professions and communities.
• Academic Excellence

• We promote an ethic of professional autonomy that allows each of us to
  pursue deep and meaningful work.
• We are proud to demonstrate unwavering integrity in our pursuit of excellence with purpose in teaching, research, service, and outreach activities.

• Collaboration
  • We thrive on collaboration that promotes a culture of inquiry, trust, and respect.
  • We encourage collaborative learning and discovery that fosters responsiveness and global engagement.

• Entrepreneurial Spirit
  • We are an innovative, flexible, and learning organization and embrace change that moves us forward.
  • We encourage bold and persistent experimentation and are unafraid of taking calculated risks.

• Stewardship
  • We act within ethical frameworks and are committed to responsible stewardship of our resources and the environment.
  • We value the trust placed in us by our students, alumni, parents, and members of our community.

Background
Established in 1958, McCoy College offers the Bachelor of Business Administration (B.B.A.) degree with majors in accounting, information systems and analytics, economics, finance, management, and marketing. Additionally, the College cooperates with the College of Liberal Arts in offering the Bachelor of Arts (B.A.) degree with a major in economics. The B.B.A. degree does not require a minor, but the B.A. degree does require a minor.

Minors offered through McCoy College include business administration (for non-business majors only); international business (which is restricted to business majors); data analytics, economics, and innovation and entrepreneurship.

The learning environment of McCoy College places primary importance on teaching excellence and intellectual contributions complemented by service. This environment prepares students for careers in both the private and public sectors. The curriculum addresses the economic, legal, political, social, technological, and demographically diverse environment in which modern business is conducted. This environment emphasizes comprehensive learning that combines general education, core business requirements that cover the main functional areas of business, and specialized study in one of the six traditional business majors offered.

McCoy College has been accredited by AACSB-International, The Association to Advance Collegiate Schools of Business, since 1997. The college serves over 4,700 undergraduate and graduate business students through five academic departments: Accounting, Information Systems and Analytics, Finance and Economics, Management, and Marketing.
McCoy College is entitled by its designation as an AACSB-International accredited school to have Beta Gamma Sigma as its honorary business society. The top 10 percent of undergraduate business students in their respective classes are eligible to join the society as early as the last semester of their second year of study. Graduate students ranked in the top 20% of their class may join the society after completing 40% of their respective program.

The McCoy College of Business CenturyLink Academic Advising Center is an accessible, student-centered support service that encourages students to develop educational goals and identify strategies for success, provides official and accurate academic information, and guides students to the successful completion of an undergraduate degree. Services available for students include, but are not limited to:

• assistance with selection of educational programs;
• interpretation of policies and procedures;
• information on course sequencing, and degree requirements;
• referral to other university resources; and
• verification of graduation requirements.

Admission Policy

Admission to the College is competitive, and a student must be admitted to the College to pursue a B.B.A. degree. Consideration for admission to McCoy College undergraduate programs is based on specific admission criteria.

To be considered for admission to McCoy College, students should list a business major as their first-choice major, (accounting, information systems and analytics, economics, finance, management, or marketing) and apply to Texas State by the stated deadlines on the Undergraduate Admissions website.

Students who are admitted to the University but denied admission to McCoy College will be considered for admission to their second choice major or if one is not listed, students will be declared Pre-Business major.

Admission Process for Prospective Texas State Students

• Freshman
  • Students admitted to Texas State as a Freshman will be automatically admitted to McCoy College if they meet Assured Admission requirements and select a business major as their first-choice major.
• Transfer
  • Students admitted to Texas State as a Transfer will be automatically admitted to McCoy College if they meet Program Entry requirements based on total semester credit hours earned and select a business major as their first-choice major.

Admission Process for Current Texas State Students

For current Texas State students, an internal application is available online on the CenturyLink Academic Advising Center website. Students attending Texas State who are currently on academic probation are not eligible for admission to McCoy College.

Restricted Status

B.B.A. students whose Texas State GPA drops below 2.0 are placed on academic probation by Texas State, restricted status by McCoy College, and are also subject to university academic probation and suspension policies.

Business majors on restricted status must increase their Texas State GPA to at least 2.0 in the subsequent semester (including summer) or their admission to McCoy College will be voided. Students whose admission has been voided, will be required to change their major to one outside of McCoy College.

Students returning to good academic standing and interested in regaining admission to McCoy College may complete the internal application process.

3. A combination of courses in the major program area specified by the appropriate academic department and restricted upper-division business electives to complement the major are also required for the B.B.A.
4. Free electives to achieve a minimum total of 120 semester hours are also required. To ensure compliance with the course requirements for a B.B.A. degree, business students should follow the general sequence of courses specified for the business curriculum in this section of the catalog.

5. Students who did not satisfactorily complete at least two years of the same foreign language in high school must complete two semesters (6-8 hours) of a single foreign language in college.

**Writing Intensive Hour Requirement**
Nine hours of designated “writing intensive” (WI) courses must be completed at Texas State to satisfy degree requirements.

**Enrollment in Upper-Division Business Courses**
Upper-division McCoy College courses (3000- and 4000-level) are restricted to business majors or to students whose declared program of study requires the course(s). To be eligible to enroll in these courses, all students must satisfy stated course prerequisites, maintain an overall GPA of 2.00 or greater, and have completed at least 60 semester hours. Students should note that not all courses are taught each semester. If a specific course is needed, students should verify the prospective course offering with the department.

**Transfer Credit**
Business transfer students must meet residency requirements for all Texas State programs outlined in the academic policies section of this catalog. Additionally, at least 50% of the semester hours in business required for the College's various degree programs must be completed in residence at Texas State.

For transfer students, 24 semester credit hours in the business core curriculum (or their equivalents) may be transferred from a Texas public institution of higher education for the Business Administration and Management Field of Study and be applied to any of the B.B.A. programs at Texas State University. More information about the Field of Study is available in the Academic Policies section of this catalog.

In addition to the Field of Study, transfer students should consult the Transfer Course Equivalency Guide and/or appropriate -Transfer Planning Guide for course transferability. Courses acceptable for transfer by Texas State will transfer at the level at which the courses were taken (i.e., acceptable courses from a community/junior college transfer as freshman or sophomore courses). Undergraduate transfer students who receive elective credit (ELNA and/or ELADV) rather than course-specific credit from the Texas State Undergraduate Admissions office may appeal this designation to the McCoy College department in which the course is offered.

A maximum of 72 hours from an accredited community/junior college may be applied to a B.B.A. degree. A maximum of 66 hours from an accredited community/junior college may be applied to a B.A. degree.

**Grade-Point Average for Graduation**
B.B.A. students must achieve the following minimum grade-point averages:

1. A Texas State GPA of 2.00
2. A Business GPA of 2.25 (includes common business core, major(s), and restrictive/advanced electives); and
3. A GPA of 2.0 in the minor(s).
