

The table below lists all undergraduate majors and degrees as they appear on a diploma and a transcript. Please note that a number of these programs have additional options or concentrations available. Program hours depend on degree options selected. The program list displays the minimum number of semester credit hours a student could complete to earn a particular degree. It does not reflect an actual student degree plan, which could have concentrations or options that require additional hours beyond the minimum. Consult the program page inside this catalog for more detailed information.

Texas State offers programs through the San Marcos Main Campus (M), Round Rock Campus (RRC), Online (O), Accelerated Online (AOP), and the Collin College Partnership (CCP) identified below.
