Field Practicum

Field practicum (Internship) involves the student intern working in a social service agency under the intensive supervision of a licensed master social worker. All regular track students (full- and part-time) must complete a total of 20 semester credit hours of field practicum. Regular track students complete two internships: (1) foundation field is 30

contact hours in a field practicum and (2) advanced field is 540 contact hours in a different field practicum. MSW advanced track students complete the second practicum only (i.e., Advanced Field Practicum), consisting of 540 contact hours. Regular (Non BSW) track students complete their first practicum during the start of their second year during the Fall semester. Part-time Regular track students will take SOWK 5376 and SOWK 5111 and then complete SOWK 5411. Part-time students will take these three practicum courses over the Fall and Spring semesters, respectively. Full-time Regular track students completing Foundation field, take SOWK 5376 and SOWK 5577 concurrently in the same semester.

Full-time advanced track students complete the Advanced Field Practicum, SOWK 5378 and SOWK 5979, during their second year in the Fall semester. Part-time students will complete their practicums in two semesters. During the first semester students will complete SOWK 5378 and SOWK 5379. In the second and final semester, part-time students will complete SOWK 5679. This professionally supervised field experience supports the development of social work skills, while students are concurrently enrolled in integrative seminar classes.

Comprehensive Examination Requirement

All candidates for graduate degrees at Texas State University must pass a comprehensive examination during their final semester in the degree program. Students within the School of Social Work must complete a Comprehensive Exam and have a minimum Texas State GPA of 3.0 in MSW courses to be eligible for graduation. The Comprehensive Exam will be completed in the final semester (during advanced field practicum/internship). If unsuccessful during the first attempt, students may take the exam a second time prior to the University established deadline for completion of the comprehensive exam during the given semester.

To be eligible for graduation, a student must complete all degree requirements, pass the MSW Comprehensive Exam, and have a minimum Texas State GPA of 3.0 in MSW courses. Students who do not successfully complete the requirements for the degree within the timelines specified will not be eligible for graduation.
