

The minor in Science Communication requires 21 semester credit hours. The minor includes a unique blend of theory, research, and application. The minor is interdisciplinary, including courses from the Department of Communication Studies, the School of Journalism and Mass Communication, the Department of Philosophy, and the Department of Organization, Workforce, and Leadership Studies.

If a student is a Communication Studies major, only the core courses in Communication Studies (COMM 2315, COMM 2330, COMM 2338) may count towards their minor in Science Communication.
