

Minimum required: 120 semester credit hours

General Requirements

The program can be completed at the Mexico Queretaro Campus (MXQ).

- The general education core curriculum courses are listed in the degree plan below along with the statewide component code number. See the General Education Core Curriculum (<http://mycatalog.txstate.edu/undergraduate/general-education-core-curriculum/>) section of this catalog for the Texas State requirements and options in the core curriculum, including Honors courses.
- Students must complete a minimum of 36 advanced hours (3000 or 4000 level courses).
- Nine hours of writing intensive (WI) courses are required for graduation.
- Any student who did not complete at least two years of the same foreign language in high school is required to take 6-8 hours of the same foreign language.
- A minor in Biology is required. Additionally, students must complete BIO 3421 or 3426 as part of their required Biology electives.
- Students entering Texas State with fewer than 16 credit hours completed after high school graduation will be required to take US 1100. All others will be exempt from taking this course. Students may be required to earn an additional elective to reach the 120 minimum total credit hour requirement for the awarding of a degree.
- Students may declare the BS with a major in Health Sciences and the Pre-Medical Concentration upon admission to Texas State University.
- Individual medical schools may require or recommend additional courses, and prerequisites can change without notice. Visit the admissions websites for medical schools you are interested in to ensure you meet all their requirements.
