  - NUTR 2360
  - PSY 3300 or HDFS 1351
7. Students who earned an associate degree that led to a registered nursing license (i.e., ADN, ASN, AASN) from a regionally accredited college of higher education will be awarded 30 semester credit hours toward the BSN online completion.

### General Requirements

1. Students have three years to complete the degree requirements.
2. For transfer students, 34 semester credit hours may be transferred from a Texas public institution of higher education for the Nursing Field of Study and be applied to the Bachelor of Science in Nursing degree with a major in Nursing at Texas State University. More information about the Field of Study (<http://mycatalog.txstate.edu/undergraduate/general-information/academic-policies/texas-legislative-requirements/>) is available in the Academic Policies section of this catalog. The transferable Texas Common Course Number (TCCN) is listed below the Texas State University course number in the following course list.
3. All upper division courses must be completed with a grade of "C" or better to progress. Students must complete prerequisite courses prior to enrolling in upper division nursing courses.
