The minor in Honors Studies requires 21 semester credit hours. Nine hours cannot count toward any other degree requirement, and twelve credit hours must be at an advanced level. HON 4390A or a substitute pre-approved by the Honors College is required. A thesis must be completed by earning credit for HON 4390B or HON 4090. Students are required to demonstrate cross-cultural awareness by completing an education abroad program or a qualifying project pre-approved by the Honors College.
