

## Minimum required: 120 semester credit hours

### Admission Requirements

Admission to the McCoy College of Business Administration (McCoy College) is competitive, and a student must be admitted to the McCoy College to pursue a B.B.A. degree. Consideration for admission to McCoy College undergraduate programs is based on specific admission criteria and is conducted as a rolling admission process. For current Texas State students, applications are available online at <http://advising.mccoy.txstate.edu/apply> (<http://advising.mccoy.txstate.edu/apply/>). For students not yet admitted to the University, applications are available online at [www.applytexas.org](http://www.applytexas.org) (<http://www.applytexas.org>). Students should list a business major as their first major choice.

Priority dates are March 1 for summer/fall semester and October 15 for the spring semester. Applications received after the priority date will be considered for admission on a space-available basis. Students not yet admitted to Texas State must meet Texas State admission deadlines. Students attending Texas State who are currently on academic probation are not eligible for admission to McCoy College.

### Freshmen and Students with fewer than 30 Semester Credit Hours

Students with fewer than 30 semester credit hours will be automatically admitted to the McCoy College if they receive assured admission (<http://www.admissions.txstate.edu/future/freshman/admissions-requirements.html>) to Texas State and select a first-choice major in the McCoy College of Business Administration. Students who are admitted to the University but denied admission to McCoy College will be considered for admission to their second choice major or as an exploratory professional major.

### Students with 30 or more Semester Credit Hours

Students who have completed at least 30 semester credit hours, including ENG 1310, ENG 1320, and MATH 1329, either at Texas State or another college or university and who have a minimum 2.5 overall GPA will be considered for admission based upon a competitive index using the grades from ENG 1310, ENG 1320, MATH 1329, and the overall GPA from all colleges and universities attended. Students will be automatically admitted if they have a cumulative GPA of 3.25 or higher and have completed ENG 1310, ENG 1320 and MATH 1329.

### General Requirements

1. For the B.B.A. degree, any McCoy College student whose Texas State GPA drops below a 2.0 is placed on probation by Texas State and on restricted status by McCoy College. Students on restricted status must increase their Texas State GPA to at least 2.0 in the subsequent semester or their admission to McCoy College will be voided. Students are required to meet with a representative of the McCoy College Academic Advising Center to remove probation holds; otherwise, the hold will prevent registration or schedule changes. A student whose admission is voided may regain admission to McCoy College by going through the application process and competing with other applicants for openings. Students with a Texas State GPA below a 2.0 are also subject to the University academic probation and suspension policies.
2. All students seeking the B.B.A. must complete the following general education core curriculum courses as required by McCoy

College. The general education core curriculum courses are listed in the degree plan below along with the statewide component code number.
